A Valentine to Idaho and America Event Adds Online Component

Boise Idaho – February 9, 2026 – Interest from throughout the state in the February 12th **A Valentine to Idaho and America** Event in Boise has prompted the five co-sponsoring organizations to add an online opportunity for every Idahoan to add a valentine. From now until 5 pm February 16, participants are invited **HERE** to tell state and national lawmakers what matters most to them about Idaho and America. Co-sponsors of the event include the League of Women Voters of Idaho, the American Association of University Women, United Women in Faith, Mormon Women for Ethical Government, and Idaho Solutions.

“We started to hear from people outside the Treasure Valley that they wanted an opportunity to counter division and distrust with expressions of love for the state and

country they live in,” the co-sponsors said in a joint statement. “People say they are worried that we have gotten ourselves into a pattern of yelling at each other that needs to stop. This is a tiny step in a positive direction.”

The live event will run from 11 am to 1 pm MT on the first floor of the Idaho State Capitol. Idahoans participating online will have several days to add their valentines. They may remain anonymous or provide their name, age, and city.
